Chizay winery with tasting room

Україна, Берегово, Винзавод Чизай
48.2254486, 22.6409176

The outskirts of Beregovo are the warmest places in the Transcarpathian region. The climate is favorable for the cultivation of tobacco, peaches, grapes. No wonder many people have the first association with the word "Beregovo" - a well-known winery that produces "Transcarpathian Roses" and "Berehivske". The factory, which looks more like a romantic castle, located on the outskirts of the city in ur. Chizay. Tall tower with sharp roof, cozy garden around. And deep in the earth stretches unique cellars, where the temperature is maintained + 12ºC throughout the year. Only official Bacchus officials can enter the territory.More information on the blog "Magical journey to the city of Beregovo" Explore the locality Routes Guides Tours Activities Hotels & Rentals Car rental and transfers Travel Ideas
