The Transcarpathian Art Museum named after Joseph Bokshay was founded in 1948. It is located in the building of the former Committees (County) - an architectural monument, built in 1809 in the architectural style of classicism. The museum contains about 4,500 works representing paintings, graphics, sculpture and arts and crafts, authored by prominent domestic and foreign artists. A large part of the exhibited paintings is devoted to the work of the founders of the Subcarpathian School of Fine Arts - Adalbert Erdeli and Joseph Boksay, as well as their talented students Fyodor Manila, Andriy Kotsky, Zoltan Sholtes and Ernest Konratovich.
