

# The village of Iza

Україна, село Іза  
48.212811, 23.32501

If you drive a few kilometers north of the city of Khust, you can get to the well-known center of folk crafts in the village of Iza. It was founded as far back as 1380. The population of the village is more than 5 thousand people. All tourists who want to buy vine products and souvenirs should visit the village of Iza. On the streets of the village, masters of wickerwork arrange grand exhibitions of a variety of products from the vine - from baskets to toys.
